Shobha's 2-for-1 Bikini Sale!

SUNDAY, JANUARY 18, 2009

Lots of news from one of my fave NYC salons, Shobha, dolls!

Introduce a friend to Shobha with a bikini treatment and save! Now through Sunday, February 8th, the salon is offering 2-for-1 bikini treatments when you come with a friend. Code: **21B0109** (use when scheduling online).

Please note: at least one person must be new to Shobha; offer valid through **02.08.2009**; savings may not be combined with other discounts or special offers; discount will be applied to equal or lesser valued treatment; both treatments must be checked out in the same transaction.

May I recommend their **Sugaring** treatment? Or, better yet, resionista it and buy their Sugaring Kit (\$30) for use at home. I'm in LOVE with it. It's the **best at-home bikini treatment I've tried yet** - And I've tried far too many. This kit contains a microwave-friendly container of Shobha's signature 100% natural salon formula

accompanied by the new **Shobha Tale-Free Powder**, reusable **Shobha Spatulas** and machine-washable **Shobha Denim Strips** for money-saving, eco-friendly treatments at home.

I tried my kit out last week and found it very easy to use, it removed all traces of hair with VERY minimal pain, zero irritation and the best part? Those denim strips work like a **charm** and REALLY are washable. I tossed mine into the laundry this week and they're good as new. Thank you Shobha, for eliminating my need to repurchase at-home wax kits every five minutes (before I even run out of wax) because I'm simply out of removal strips. **This set is good for the earth, good for your low pain threshold, and good for your need for your lady parts to look fly on a regular.** I plan to rebuy and rebuy this one!
