Shobha is my go-to spot for bikini sugaring. The staff is super-friendly, quick and effective, and most of all -- clean and sanitary (they never, ever double dip). Shobha has [three NYC locations](#) where they also sell a number of beauty products. One of the best is their [Ingrown Relief Lotion](#) (\$22). It's a sensitive and effective one-step solution for bumps and ingrown hairs and a must for use after getting sugared or waxed.

The lotion is formulated with natura ingredients and it's free of parabens, color, and artificial fragrance.
