It looks and pours like honey, but gets the job done.

Transparent and portable – perfect for travel or gym bag!

1. BARE IT ALL The hottest thing to hit Hollywood since eyebrow threading, **BettyBare** was made for the hair down there. It's a sweet-scented conditioning cream hair remover, with attitude. \$15 for the kit; bettybeauty.com

2. SUGAR MAMA Straight from New York's Shobha salons, the **Shobha Sugaring Kit** is perfect for sensitive skin. It's 100 percent natural, ideal for legs and bikini lines and won't cause you to scream out in pain. \$30; myshobha.com

3. NAIR THAT HAIR! This is not your mother's wax. **Nair's Salon Divine Wax Kit** heats up in the microwave, has natural conditioners, and works on short hair. Let those calf muscles show! \$15; naircare.com

4. SHAVE AND SAVE Schick **Intuition Plus** is a razor plus shave gel! It has built-in skin conditioners so you can skip the extra cost (and time) of pre-lathering. Very gym bag friendly. From \$10; drugstore.com

5. STRIP DOWN No more wax in the microwave. **Parissa Wax Strips** are double-sided, heat up in your hands and range in size for bikini, face, legs and even eyebrows. Wax on, strip off! From \$9; parissa.com

6. WET/DRY WONDER Just two AA batteries will get you gym shorts-ready. Usable in or out of the shower, the compact, cordless **Smooth & Silky** gives a close, nick-free shave. From \$17; remington-products.com
