Yoga deals on a shoestring budget

is that a rocket in your pocket...

or did you just nab 5 pocket-sized [shobha sanitizers](#) for \$5?

- alcohol-free germ protection - a pleasant surprise from [shobha](#), home of the hair removal clean freaks, keep these sanitizers handy if you are teaching yoga or fostering a communal mat during class. i like to spritz the unscented sanitizer on my hands & feet before & after i step on the mat or begin adjusting students.

yogadeal: 5 spritzers for \$5 that's

better than happy hour & it's hangover-free - you can't be that with 3 sticks (translation: it's unbeatable).
