Shobha<sup>®</sup>  
sugaring kit

**I Prescribe:** [Shobha Sugaring Kit](#)

**For:** Hairiness

**Prescriber's Notes:** Want a smooth, hairless bod but don't have the time to jet off to NYC for an appointment at a Shobha salon? Do the next best thing and de-hair yourself with a Shobha Sugaring Kit. It sounds delicious, but this sugar ain't for your sweet tooth, although it will make your bod look sweet! It's easy to use and clean up, gentle, microwavable, and reusable. Pour some sugar on me!
