Look & feel your best with these amazing hair & beauty products.

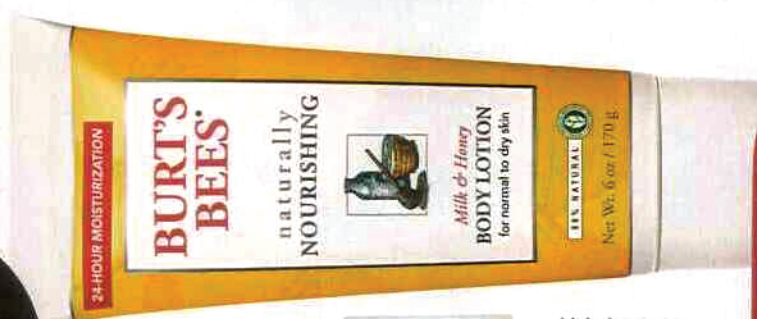

Get your hair remarkably clean with **Lavender Rosemary Shampoo for Normal Hair** from **John Masters Organics**. With 13 organic ingredients plus soy protein and wheat amino acids, your tresses will be clean, healthy and manageable—just massage through your scalp for gorgeous results! Available for purchase at johnmasters.com for \$35.

Luxurious looks are awaiting you! **It&ly Hair Fashion's Purity Design Pure Conditioner** will leave your hair feeling like silk. It's infused with the "Desert Blend" which contains Agave, Joshua Tree and Challa Cactus to moisturize and nourish dry, damaged locks. Plus, it protects against harmful UV rays! Available for \$13 at fine salons nationwide.

Help keep your skin soft and smooth throughout the harsh winter weather. **Burt's Bees new Naturally Nourishing Milk and Honey Body Lotion** is enriched with botanical moisturizers, coconut oil, vitamin E and honey. The clean scent will leave your skin feeling soft, healthy and refreshed. SRP: \$10, available at natural food and drug stores nationwide.

Be creative! **Davines** introduces **Defining**, a new line of products housed in cherry red bottles that allow you to express your tresses. The heat-activated, lightweight **Defining Texturizer Styling Spray** adds body and volume to your favorite styles. Simply spritz it on the roots of towel-dried hair and style as usual. Grab a bottle at fine salons for \$20.
