**Unsung Hero:** He probably won't be analyzing the shape of your brows, but you'll be focused on him if you feel good about your overall look, which includes your eye toppers. **Shobha Brow Pencils** – Earth for brunettes, Sand for blondes- shape, fill and build color; an added benefit is that they are paraben-free. The packaging also unlocks tips, brow anatomy and trivia, resulting in mistake-proof brows. You can use as much or as little as you want to design perfect, simple, dramatic, well-arched brows. It's waterproof, so you literally have no worries.
