NAWINA

3 Columbus Circle, 212-977-7771

This India-inspired spa has a cool, exotic vibe and specializes in sugaring and threading. The former was effective and pleasant; the latter unnerving. Instead of tweezing away strays, Nawina held one end of a string in her mouth and threaded them, which pinched a little and was way too close for comfort. Still, thanks to the flawless results, we've already gone back. \$60 and up.
