My fabulous friend and President of **Cameo PR**, Malorie Kaye, threw a wonderful event this past week, which I had the pleasure of attending at DL Rooftop.

The title of the event was a Mid-Summer Soirée and indeed it was! Cocktails flowing, a DJ pumping music and treatment tables galore were just some of the highlights.

I eagerly enjoyed all that was there to offer and left with colorful nails, perfect beachy waves in my hair, groomed eyebrows and a face of carefully applied make up. Oh and I can't forget the cutest illustration of moi, done by **Brooke Hagel**, which I could not stop gushing over!

Shobha was doing eyebrow threading, and as NYC's hair removal expert, they definitely knew what they were doing. I can't wait to check out one of there 3 locations for a touch up!
