

MARK YOUR CALENDAR: PARTY OVER HAIR X SHOBHA SPA HAPPY HOUR EVENT

MARK YOUR CALENDARS: *the BROW & BRAZILIAN happy hour*

There are some things in life that I will pay top dollar for... Like a good pair of raw denims, a gym membership to a gym that has showers, lockers & classes.. (yes, I threw **hella** the shade at Planet Fitness) and my eyebrow threading and Brazilian waxes.

If you follow me on Twitter, you'll constantly see me not only hyping up Brazilian waxes, but hyping up the spa I go to... **Shobha Spa**. I've shared some [tips for getting your first Brazilian Wax](#) in the past, but I've decided to go a step further for my readers.

I reached out to the lovely people over at Shobha and we came together to put together a little event for my NYC readers.
