# BROWS

## WASHINGTON, D.C.

---

### SHOBHA

---

*1730 M St. NW*  
*202-912-8455*

---

With its vibrant colors and spotless interior, this new Dupont Circle salon marks the D.C. début of the New York-based brow studio. A specialist first smoothed on an essential oil balm to allow the threads to glide easily over skin and reduce friction. Next came an application of Shobha Rose Water Calming gel (\$18; at Shobha) to help soothe pores before the pro evened out our tester's zigzaggy arches so they were symmetrical.
