The (R) appearing after a spa name is a link to a review of that spa.

Threading

Threading is an ancient method of hair removal with origins in Arabia and South Asia, but can now be found right here in **New York City**. It is very delicate for even sensitive skin. The art is in the twisting of a thread removing the hair at the roots. Threading is especially good at hair removal on the face and eyebrow shaping and threading has instantaneous hair removal results.

spas and salons offering Threading in New York City include:

[Capelli D'Oro](#)

847 Lexington Ave, 2nd Floor

[De Novo European Beauty Spa \(R\)](#)
