

HOT + HEALTHY

TUESDAY, MAY 6, 2014 7-10 PM

THE DREAM HOTEL NYC

After the winter we've endured, we are ready to warm things up! We want to feel hot. We want to feel healthy. We at Bella Life believe that the most important relationship you have is the one with yourself, so let's embrace how **Hot + Healthy** we feel!!

Nitika Chopra, Founder of the online magazine Bella Life and Host of the Talk Show *Naturally Beautiful*, is hosting a Hot + Healthy Extravaganza – and you are invited!! The Bella Life community is a group of incredible women who believe that health is of the utmost importance, and feeling hot is pretty important too.

Featuring luxurious hand treatments from **JUARA Skincare**, eyebrow threading from **Shobha salons**, energy healing from **Vikaz**, healthy treats and even ways to grow your business from an empowered place, this evening will be PACKED with fun. Not to mention you will get to connect with some of the most exciting wellness influencers that you have been following online and on TV so **Reserve Your Spot BELOW!**

It would not be a Bella Life event without mixing and mingling with empowered, love-filled, wellness-driven women who are dedicated to making a positive impact. Enjoy an evening flooded with creating Beauty from the inside out all while networking with powerhouses in the Wellness and Beauty Industries. We can't wait to see you there!
